My dear Mr. Eastman —

May I wish you many healthy returns of your birthday? I feel that I have a special interest in your well-being, for not only is it your birthday but it was born on my husband's birthday.

Two years ago I was listening to the broadcast and your name was the only name in the birthday list.

Yesternight's address, etc. to me, some appreciation of all the beautiful science and helpful memories that your work has kept our faith and faith for us.

I was very glad of your good wishes and resolved that next year I would send a card. However, I didn't and when in Sunday's phonograph a song again about you and your birthday, I concluded that this year I would.

Again wishing you many years of continued health and happiness.

Most Sincerely,

Florence F. Matthias

Dear Mr. Eastman:—

Please accept my most sincere wishes for a happy birthday. I hope you will have a most joyous day and that the coming year will bring you both health and contentment.

Perhaps you will recall that I have two little girls—Joan and Patty. I have spoken so often of both you and Miss Whitney to them that I had great difficulty in restraining Joan from using you as a subject for her school composition. They are beautiful children with most charming manners and I am so happy to have them.

I do hope that you will have a beautiful day and my most
sincere wish is that you will have many more years in which to enjoy all the happiness wished you.

With kindest regards to Miss Whitney,

Most Sincerely,

Elizabeth Euler Proskauer

Gentlemen;

I have recently purchased a No. 2 Folding Autographic Camera. I wish to get the proper information on it, particularly: double exposure, developing and how to make better pictures, in general. Find enclosed is coupon that I received upon purchase of my camera.

I wish to congratulate Mr. George Eastman, to-day being his seventy-fifth birthday. The world needs more men of his like, who, in all his charity donations knew neither race nor creed. He has done much in the progress of science and man, and for his country. When speaking of Mr. Eastman I can use the words of America's great poet:

"Lives of great men all remind us,
We can make our lives sublime;
And departing, leave behind us,
Footprints on the sands of time."

I am sure that Mr. Eastman's praiseworthy deeds will never be forgotten and "leave behind us footprints on the sands of time."

Thanking you ever so much.

I am,

Sincerely yours,

Samuel Horace Waltman.

Dear Mr. Eastman:

Please accept my congratulations upon your seventy-fifth birthday. That is an event which Rochester and the whole world should celebrate. That one should by industry and genius have done so much - through generosity have made so many benefactions to mankind - and remained so eternally young in spirit and humanity is a rare achievement. My best wishes and warm regards upon this anniversary.

Sincerely yours,
