Tuskegee Institute

FOUNDED BY BOOKER T. WASHINGTON, 1881

OFFICE OF THE PRESIDENT

TUSKEGEE INSTITUTE, ALABAMA

November 10, 1944

Mr. W. G. Stuber
Eastman Kodak Company
Rochester 4, New York

Dear Mr. Stuber:

Compliance with your request of October 27 required searching into the files of the Institute during the period when the benefactions of the late George Eastman were made available. I assure you it was a delightful opportunity to review this part of the school's history.

Mr. Eastman's interest extended over a period of years and his gifts included a grant of \$250,000 for "Permanent Improvements" which came at a time to give much needed expansion of the school's facilities.

Funds given by Mr. Eastman went into the construction of the buildings which are enclosed.

May we thank you for the opportunity which you have given us to participate in the pictorial display of your company's founder. Because of Mr. Eastman's gifts we take this occasion to extend an invitation to you and other officials of the company to visit Tuskegee and see the buildings and other improvements and observe the effective way in which they are used in connection with our educational program.

Very truly yours,

President
