EASTMAN DENTAL CLINIC
OF THE ROYAL FREE HOSPITAL
GRAYS INN ROAD, LONDON.

THE primary object of the Clinic is to provide dental treatment for children residing in St. Pancras, Holborn, Finsbury and Islington, but treatment and advice will also be provided for expectant and nursing mothers and a certain number of adults of other classes. It is hoped that the clinic will be an object lesson for other districts.

The necessary funds for construction and equipment are being provided by the munificence of Mr. George Eastman of Rochester, U.S.A. who has given £200,000 for that purpose. Some years ago Mr. Eastman founded a Dental Dispensary at Rochester which, under the skilled direction of Dr. H.C.J. Burkhardt has proved a marked success. Mr. Eastman believes that what has been accomplished in Rochester will be achieved in London.

To secure his generous gift it was necessary to provide an endowment fund of £100,000 and also for the Royal Free Hospital to undertake the responsibility of maintaining and administering the Clinic. The annual cost of maintenance
is estimated at some £20,000. The £100,000 for the endowment fund was provided by the generosity of the President of the Royal Free Hospital, Lord Riddell and its Honorary Treasurer, Sir Albert Levy. Other moneys have also been subscribed, but a considerable sum is still necessary to complete the endowment and to relieve the Royal Free Hospital of the task of maintaining the Clinic out of its general funds.

Today everyone recognises the importance of good teeth, both from the point of view of health and personal appearance. Therefore it is earnestly hoped that all interested in the improvement of the nation's teeth will make contributions, large or small, to help the Hospital in its campaign, which has received the approval of the Rt. Hon. Neville Chamberlain, Minister of Health, and his chief medical officer, Sir George Newman.

It is hoped to open the Clinic in 1930.

* A photograph of the Building as it will appear when completed is reproduced upon the cover of the Programme.

Highness will spread the mortar, and the stone will then be
lowered into place.

Wallace Elliot, Esq., (Messrs. Trollope & Colls) Contractor,
will offer to the Prince of Wales the maul and level and His
Royal Highness will tap and level the stone and declare it to
be well and truly laid.

The Right Hon. Stanley Baldwin, Prime Minister, will
acknowledge the gift made by Mr. George Eastman.

Dr. Harvey J. Burkhart, Director of the Rochester
Dental Dispensary, representing Mr. George Eastman, will
speak on his behalf.
Prayers offered by
THE RIGHT REV. THE LORD BISHOP OF STEPNEY

OUR FATHER, which art in heaven, Hallowed be thy Name. Thy kingdom come. Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil. Amen.

ALMIGHTY GOD, whose blessed Son went about doing good and healing all manner of sickness and disease among the people; continue, we beseech Thee, His gracious work among us in the hospitals of this city, and particularly in this hospital now to be enlarged by the generosity of thy servant. Console and heal the sufferers, grant to the physicians and surgeons wisdom and skill, and to the nurses diligence and patience. Prosper their work, O Lord, and vouchsafe Thy Blessing to all who give of their substance for its maintenance; Through Jesus Christ our Lord. Amen.

Bishop: “Except the Lord Build the House.”
People: “Their labour is but lost that built it.”

ALMIGHTY GOD, of Thy mercy be pleased to bless this Stone and the building to be erected thereon. Here may peace and charity ever dwell to Thy Glory. Here may all who seek relief find it and ever give thanks to Thee.

In the Name of the Father and the Son and the Holy Ghost.
Amen.

GOD SAVE THE KING.

After the departure of H.R.H. the Prince of Wales, tea will be served in the adjoining marque.
Visitors who desire to inspect the Royal Free Hospital will have the opportunity of doing so.
