

PELL

February 16, 1982

He's coming back to Washington from his trip to El Salvador. On Thursday he will be on Good Morning America (ABC), CBS Morning, NPR, Cable TV Network, US News and World Report.

I talked to Bill Bryant and I asked him if I could tag along with Pell.

"That wouldn't be a good idea. He'll be formulating his thoughts and talking with his aides. He'll be more comfortable doing that alone."

He's more comfortable alonge, period, I think. He's not comfortable in most situations I've seen him in.
