

COLUMBUS TV CREW
Sunday, July 15, 1984

After Columbus Citizen Journal and SF Chronicle interview (S.F. "That's not to say you don't have a hangover. You wake up in the morning and ~~that's~~ ^{think} what might have been but it wasn't and so that's it.")

They asked him about M.F. ticket ~~expect~~ ^{expect} to support them?

VP - "near the same ideological stripe as V.P. so they can work together. Mr. M and Mrs. F fit very closely together."

"I don't know I have many cards to play. I had hoped to be here under different circumstances."

pressures in Oh. Delegation with 50-50. "That will be determined by early part of the process" whether there's a shift to Hart or not." M = 126 votes. "If the fuss over chmn. causes change, it will be a different kind of convention. But I don't think that, ... "

What role in deleg. "I'll be with the Ohio delegation and be voting with them and be active in the convention with Ohio Delegation."

"a tinge of regret that you've not here under diff. circumstances. I didn't get in this too ^{advance my} ~~as~~ political career ^{but} because I felt very strongly about future of this country... ~~ecomy~~... I was running because of this... ^{to} be here and to know I would have had bigger forum..."

job retraining trust fund bill ~~them~~ ^{tremendous} impact for Ohio - citizen ^{soldier} studies ed. bill, I can do on a diff. level things I could have done on higher level-- you do what you can."

"Anytime you have ~~doubt~~ ^{debt} that's steeper than SF bills outside. I can guarantee you its a problem... We're trying every fund raising operation know in the world."

Gets matching funds ^{to} the end of this year.

"People didn't just turn off and say go your own way." re help.

my more moderate cons. ^{philosophy}

Ohio - How are you perceived in Ohio?

No change in perception in Ohio as far as supp. is concerned...been in every corner. ^{They are} Proud of what I was trying to do. ~~Better to have run~~

"Views I was putting forth ^{to} are views of maj. of people in Ohio. They know that. I'm back working as hard as I can for Ohio...

"Will be very active ^{as} and I always ^{have been representing} Ohio in the Senate."

Youngstown Vindicator ^{to} ~~interview~~

* My hopes for 2 years were that I'd been here in another cap^{acity}. I didn't want to be here for my own advancement but because I thought the president was leading country in ways we shouldn't be going."

"Am back working in the Senate and have already had some success since I've been back. Job retraining is of immense imp. for people in Youngstown and NE Ohio--espec. in Youngstown where work force has changed so much. I'm very proud of that."

Are you convincing party to help ^{specifically} re Ohio.

"If there's one thing I did, almost to my detriment in my ^{campaign} was that I was specific. When you are specific you give people things to shoot at... I was specific in the prop. ^{for ec., job retaining, ed. research...} I believe I was more specific than any other candidate."

He went ^{through} areas on platform committee. He had sheet in front of him and read off their sheet ^{Campaign} and Common Sense Opp. and Excellence ⁱⁿ Future ^{Restoring} Competitiveness. "All those things are in the platform. I can't say that everyone is in there because I suggested it. But we did have an impact on it."

SF

Glenn Interview with Newsman

You stressed need for moderate VP.

Trad. way is to pick ideology opposite. I said my own view was you should pick someone as near as possible to your views, etc. etc. - "Mc" has taken route I would have followed...of same ideological views he holds. That makes 'em a pretty good team--I'm more moderate. ^I ~~My~~ might have picked her or somebody else."

(dumb - one friend. Dear Podium participant. T that off) call after election.

~~Manett~~ "Introduced a divisive element into what was supposed to be a unifying convention." "poor timing" re Manett. "I'm somewhat mystified as to why it was done now."

"I'm not unhappy with Mqnatt."

"I'll be campaigning this fall and I'm sure I'll keep most of my efforts in Ohio--campaigning for candidates in Ohio, Congress, candidates and state legislative candidates."

" I haven't been asked to campaign for the ticket. But I assume I will be...If they want me to make some appearances, in other states, we'll work it into our schedule...Don't mean to downplay Ohio. Rep. have never won a pres. elect^{carry in} without campaigning Ohio."

What feelings: Disappointing? "Is it a disappointment? Yes. I'd be lying if I didn't say it was a disappointment. My reason for running was not a self serving reason but for what I thought was best for the country. I didn't like way RR was taking country. Thought my moderate views and specific views was needed. ^{Sorry} ~~Boy~~ I was so specific that it hurt me. I'm not going to turn off, sit in the corner. Don't accomplish anything by doing that. Get in and do what you can. We influenced the platform con. I went back to Senate - got our ^{ed.} ~~bill~~ through and got our ^{retraining} ~~job~~ fund thru."

"Disappointing~~ed~~ that I can't work on a national scale. Disappointing that I can't change ~~or~~ ^{at} ~~level~~ ^{level} I wanted. But Senate is not a bad lever¹ to be working on ^{sense of} ~~sense of~~ ^{disappointment} ~~dis~~ that I'm not here ^{in different circumstances,} ~~in~~ ^{yes.} Sorry I'm not here representing people of Ohio."

Talked about moderate voters need to go out and vote in fall.
Would push some ideas in campaign if asked.

Great stress on not just "bombasting" "knocking down" RR, but talking about "what can^{be}" and on and on.

"Want to control our ^{future} ~~fun time~~ "don't just hold up your finger and say we're no. 1" - Guy stops writing.

Channel 8 - Cleveland

Bert Lance - "Timing could not have been much worse. I don't know why we had to introduce a disunifying vote. Must have been more to it than I'm aware of. I look forward to hearing an explanation of it...I was not consulted on it."

Hogan resolution anti-bigotry.

Is it bittersweet - last int. was "disappointing". "Maybe a good word. I hadn't thought of that word, but that's a good word for it."

"["]Had hoped to be here in another capacity - not for me, not for JG."
Explains again, why he ran "Maybe I was too specific."

"I had great hopes what I could do for the country. That is not to be. So I went back to the Senate and... there are lots of things I have been able to accomplish since I withdrew. I'm not sitting ^{in the corner and pouting} ~~as~~ ^{to party}... I'll do what I can to benefit people of Ohio and country. Bitter as you said, but sweet to be in the Senate and be able to do something."
