Dear Mr. Lovejoy:

In going through my collection of souvenirs, etc., in preparation for returning to the States, I ran across the original sheet bearing the signatures of those present at the dinner given to Bernie Meyering. I do not remember just what was the occasion, but think perhaps it was the celebration of his 25th Anniversary with the Company. You will no doubt recall that the menu at that time took the form of a film pack, the last tab of which was headed "Scratches" and was a reproduction of the sheet from which the enclosed Photostat was taken. Thinking you might like to see this, I am sending you the Photostat copy enclosed.

Yours very truly,

H. H. Tozier
