Mr Oscar N. Solbert,
Rochester Ny.

Dear Mr. Solbert:-

Since receipt of yours
of Jan 31st I have tried to think of any-
thing that would be of help to you-

I really do not know much of Mr
Eastman except to admire him, and
most everything he did. Limited to
half a dozen interviews on cameras
and automobiles in which we were
both interested-

Ill health and this weather
keeps me pretty close to our house but if
you could call I would be glad to talk
to you any time at your convenience-

Very sincerely
Henry Willis
